OUR MISSION

The Mission of the Fellowship of Preparation Makers is to ensure that good quality biodynamic preparations are available now and into the future throughout North America.

"We are only able to understand what happens on earth if we realize that it is based on an infinite variety of interactions between earthly physical and cosmic etheric forces."

Wilhelm Pelikan

Healing Plants

Insights Through Spiritual Science

501 Storage at Sustainable Settings, Colorado

"The physical crystal is a transceiver of the sublimely ordered forces streaming from the highest realms.

The form of the crystal is an antenna for those highly ordered forces."

Dennis Klocek

Sacred Agriculture
