

Full-Time Farm Crew | Valentines Farm – Glen Head, NY

We are welcoming applications for the 2023 season!

[Valentines Farm](#) is a 4-acre biodynamic market garden and homestead. We grow a wide variety of vegetables, herbs, flowers, and berries. Our vegetable fields occupy half an acre and are managed on a low till, permanent, bed system. We produce jams, apothecary items, honey, and free-range eggs. Our work is physically demanding and requires working in all weather conditions. Must be able to work 8+hour shifts, 5 days a week including Saturdays.

What We Look For:

- A positive, collaborative and “can do” attitude and willingness to learn new things
- Must be able to lift 50 lbs. and work in all weather, every day
- Attention to detail
- Ability to follow directions and work independently
- Ability to stay on task and accomplish the day’s work plan
- Punctual, reliable, and dedicated to the role
- Commitment to a full season (March – November) with potential for a second year on an assistant role
- Interest and experience in biodynamic and organic farming, a plus
- Must have a current Driver’s License

What We Offer:

- A welcoming and inclusive team of proactive individuals
- Hands-on experience on small scale growing over 40 different crops and flowers, and caring for the animals with the application of biodynamic practices
- Hourly pay, depending on experience
- A weekly share of fresh farm produce
- Uniform provided

To apply:

Please email careers@valentinesfarm.com and send us the following:

- CV
- 1-minute video explaining why you are a great candidate (optional)

We look forward to having our 2023 team selected by Thanksgiving, position beginning in March 2023. There are multiple steps to the hiring process, so early application is encouraged.
