RUDOLF STEINER'S AGRICULTURE LECTURES

AN ONLINE STUDY COURSE WITH HARALD HOVEN

16 MONDAYS, JANUARY 4-APRIL 19, 2021, 6-7:15 PM PST

This study course is appropriate both for people who have never read the lectures and also for those who have read it before and want to deepen their understanding.

THE **AGRICULTURE** COURSE,

This is a series of 8 lectures given by **RUDOLF STEINER** in Koberwitz, Silesia, from June 7-16, 1924 contains all the original thoughts that were subsequently put into individualized practices by the attending farmers and laid the foundation for all of Biodynamics.

Nearly 100 years later, these lectures still have the same relevance as when they were first delivered.
